2021 AVALON

As remarkable as it is refined.

Stunning in every possible way.

Create an undeniable presence wherever you go with the 2021 Avalon. Its low, wide stance and flowing roofline give it a sleek silhouette, while strong character lines add definition to its shape. Beyond the stunning lines, you'll find a host of intuitive state-of-the-art technology that elevates your day-to-day drive, including exceptional driving dynamics that deliver a remarkably responsive and controlled ride. Whether you're considering the bold Limited or the sport-inspired XSE, the 2021 Avalon can take you wherever you want to go, in style and comfort.

EXTERIOR DESIGN

Daring in every detail.

Every angle evokes elegance.

The provocative styling of Avalon artfully blends function and form. Every crease, every angle, every line is designed to make you feel something, to get you motivated and to help you forge your own path. From the sport mesh front grille all the way to the rear diffuser, subtle contrasts in colour leave you with a clean, modern look while hinting at its aggressive side.

INTERIOR STYLING

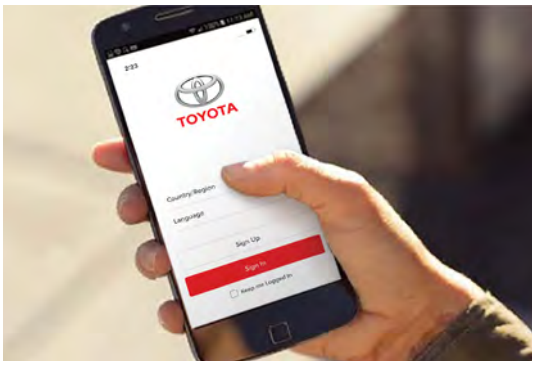
A tailored environment.

Premium comes standard.

Inside the expansive cabin, you're surrounded by craftsmanship and authentic materials that you can feel and see, like the premium leather wrapped steering wheel and seats, available real wood trim, and available Cognac leather interior with unique perforation pattern and two-tone quilted stitching. And with its advanced Engine Sound Enhancement, it's quality you can hear, feel, and see in every drive. That luxurious feel continues with Avalon's array of seamless tech that includes Push Button Start, Bluetooth® connectivity, Qi Wireless Charging, and available JBL® with Clari-Fi™ audio system that creates a phenomenal sound to amp up every drive.

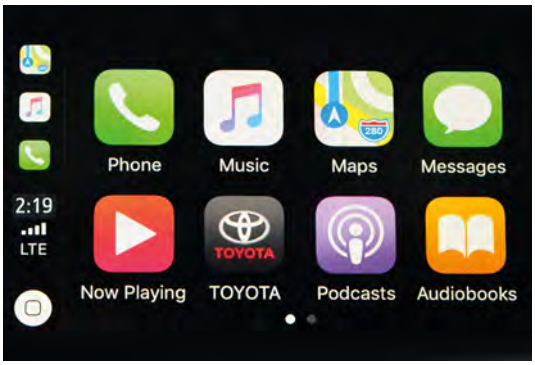
Click to Learn More

Entertaining.
And not just the drive.



CONNECTED SERVICES BY TOYOTA[1]

Staying connected has never been easier with a suite of available connectivity features including Remote Connect, Safety Connect®, Service Connect, and Destination Assist to help enhance your driving experience.



APPLE CARPLAY™[1] COMPATIBILITY

Connect a compatible iPhone® to get directions, make calls, send and receive messages, and listen to your playlists with your voice through Siri® or the steering wheel controls – all while maintaining focus on your drive.

ANDROID AUTO™[1] COMPATIBILITY

Bring your favourite smartphone apps into one place for easy access to navigation, media, and communication apps. With Google Assistant™, you can perform actions with your voice, keeping your eyes on the road and your hands on the wheel.

7-INCH COLOUR MULTI-INFORMATION DISPLAY

Get all the vital info you need at a glance with Avalon's 7-in. Colour Multi-Information Display, which can be customized to show you how much fuel you have left, check your current km, get turn-by-turn directions, and more – all on one display.

PERFORMANCE

Engineered to help you master every km.

Smooth, powerful performance, wherever you drive.

Avalon delivers an extraordinary level of handling and ride comfort. The low, wide, and long platform gives you confidence in every turn while connecting you further through the available steering-wheel-mounted paddle shifters. The 3.5-litre V6 engine unleashes 301 hp while still maintaining exceptional fuel efficiency. Equipped with the latest tech, like Variable Valve Timing-intelligent (VVT-i) and D-4S Direct-Injection paired with a smooth Direct Shift 8-speed transmission, Avalon can deliver whenever you feel the urge.

SAFETY

Toyota Safety Sense™

The 2021 Avalon comes standard with Toyota Safety Sense™[2] (TSS-P). It's an advanced suite of safety features that adds new technologies and capabilities designed to help protect drivers, passengers, and others who share the road from harm. That's peace of mind we can all get behind.

DYNAMIC RADAR CRUISE CONTROL[3]

Using forward sensing radar technology, the system can automatically adjust vehicle speed to help maintain a preset following distance between you and the vehicle directly in front of you.

LANE DEPARTURE ALERT WITH STEERING ASSIST[4]

Alerts you if you start to drift out of your lane when visible lane markings are detected. The Steering Assist function may also provide small corrective steering inputs.

PRE-COLLISION SYSTEM WITH PEDESTRIAN DETECTION[5]

Provides collision avoidance or collision mitigation support in speed ranges where frontal collisions are likely to occur. In certain conditions, the Pre-Collision System with Pedestrian Detection may also help to detect pedestrians and help prevent or mitigate a collision.

AUTOMATIC HIGH BEAMS[6]

Designed to detect oncoming and preceding vehicles' lights and depending upon the circumstances, Automatic High Beams can switch between high and low beams for you.

— NEW VEHICLE WARRANTY COVERAGE —

Every Toyota vehicle is supported by a 36-month/60,000 km limited warranty coverage. But it doesn't stop there. On top of our basic coverage, we offer:

BASIC 36 months/60,000 kms whichever comes first (all components that are defective in material or workmanship excluding normal wear and maintenance items).	**36 MONTHS** OR **60,000 km**
POWERTRAIN 60 months/100,000 kms (engine, transmission/transaxle, front-wheel-drive system, rear-wheel drive, seatbelts and airbags).	**60 MONTHS** OR **100,000 km**
CORROSION PERFORATION 60 months/unlimited kms (corrosion perforation of sheet metal).	**60 MONTHS** OR **UNLIMITED km**
EMISSIONS Coverages vary under Federal and Provincial regulations. Refer to applicable Owner's Manual Supplement for details.	

REFER TO APPLICABLE OWNER'S MANUAL SUPPLEMENT FOR DETAILS.

— DISCLAIMERS —

(1) Driving while distracted can result in loss of vehicle control. Some features may be locked out while the vehicle is in gear. To reduce risk of accident while driving, exercise care when using the systems (even with the voice commands) and obey all local laws concerning use of the systems while driving (as some laws prohibit the use of electronic devices while operating a vehicle). Once the Connected Services by Toyota trial subscription expires, paid enrollment is required. Apple CarPlay, iPhone and Siri are trademarks of Apple Inc. Android Auto and Google Assistant are trademarks of Google LLC. A compatible customer phone pairing is required and customers are responsible for all data charges. (2) Drivers should always be responsible for their own safe driving. Please always pay attention to your surroundings and drive safely. Depending on the conditions of roads, vehicles, weather, etc., the TSS systems may Not work as intended. (3) Dynamic Radar Cruise Control is designed to assist the driver and is not a collision-avoidance system or a substitute for safe and attentive driving practices. System effectiveness depends on many factors such as weather, traffic and road conditions. (4) Lane Departure Alert with Steering Assist is designed to read lane markers under certain conditions and provide visual and audible alerts and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. (5) The TSS Pre-Collision System is designed to help avoid or reduce the impact speed and damage in certain frontal collisions only. The Pedestrian Detection system is designed to detect a pedestrian ahead of the vehicle, determine if impact is imminent and help reduce impact speed. It is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrians, driver input and weather, light and road conditions. (6) Automatic High Beam system operates at speeds above approximately 34 km/h. Factors such as a dirty windshield, variable weather, lighting conditions and hilly terrain will limit effectiveness, requiring the driver to manually turn it off. (7) Not all exterior and interior colour options are available for every model. (8) Fuel efficiency estimates were determined using approved Government of Canada Test Methods. Actual fuel consumption will vary based on driving habits and other factors.

Details on the above features can be found in the Owner's Manual or contact your local Toyota Dealer.

Toyota Canada Inc. Every effort has been made to ensure the specifications and equipment shown are accurate based on information available at time of publication. In some cases, certain changes in production capacity, standard equipment, options or product delays may occur which would not be reflected in this brochure. Toyota Canada Inc. reserves the right to make these changes without notice or obligation. The Toyota website **toyota.ca** – or your Toyota Dealer is your best source for up-to-date information.
