CAPACITY

Drive with confidence and peace of mind even in harsh weather conditions and rough terrain with the Toyota Sienna all-wheel drive (AWD) system.

The first retail *hybrid* wheelchair accessible vehicle!

And, it's loaded with all the original equipment convenience features, such as:

All-Hybrid Powertrain · All-Wheel Drive Capability · Remote Keyless Entry · Toyota Safety Sense
Apple CarPlay · Blind Spot Monitor · Audio System with 6 Speakers, and much more!

855-VMI-VANS · vmivans.com · 5202 S 28th Place Phoenix, AZ 85040
(864-8267)

ParkSmart™

The only parking sensor designed to help customers avoid getting blocked in while away from their vehicle.

Wheel Well Covers

Patented covers create a sleek look and minimize appearance of the wheel well gap, typically seen with converted vehicles.

Interior Lighting

Light up your ride with LED interior floor and ramp lighting at the touch of a button.

Interchangeable Seats

Removable and interchangeable driver and passenger seats for optimal flexibility.

Flexible Seating Options

Multiple seating options for VMI's Toyota Sienna Northstar conversion allow for independence and flexibility. Wheelchair users can choose to sit in the front driver or passenger position or ride in the middle of the vehicle. This diagram shows possible seating options.
