Your Connected Services Choices

Consent to Connected Services Terms of Use, License and Privacy Policy	If equipped only and except for the Subaru Solterra:	<p>In relation to the MYSUBARU® Connected Services, do you consent to:</p> <p>The (1) Websites and Mobile Apps Terms of Use, the (2) MYSUBARU Connected Services Terms of Use, including over-the-air updates and the (3) MYSUBARU Connected Services Privacy Policy?</p> <p>Please read the documents to inform yourself as to the type of data generated by the use of the MYSUBARU® Connected Services, and how Subaru Canada Inc. collects, uses, shares, and stores the data, which includes transmission of location and driving data to Subaru and its affiliates in order to provide you with the services and for internal research, development, and data analysis. For some services, such as navigation and emergency services, this information is shared with other service providers in order to provide you with that service.</p> <p>Yes No</p>
	For the Subaru Solterra only:	<p>In relation to SubaruConnect™, do you consent to:</p> <p>The Toyota Canada Inc.'s (1) Vehicle Connected Services Terms of Use, including over-the-air updates, the Toyota Canada Inc.'s (2) Connected Services Privacy Notice and the Toyota Canada Inc.'s (3) Toyota Vehicle Software End User License Agreement (together, the "Agreement")</p> <p>Please read the Agreement to inform yourself as to the type of data generated by the use of SubaruConnect™ (the "Services"), and how Toyota Canada Inc. collects, uses, shares, and stores the data, which includes transmission of location and driving data to Toyota and its affiliates in order to provide you with the Services and for internal research, development, and data analysis. For some Services, such as navigation and emergency services, this information is shared with other service providers in order to provide you with that service.</p> <p>Important note for vehicles produced before September 22, 2023: CERTAIN SUBARUCONNECT™ SERVICES ARE ENABLED BY DEFAULT, regardless of your choices herein, INCLUDING LOCATION AND DRIVING DATA TRANSMISSION. As a result, some of your personal information will be disclosed to Toyota. If you do not want SubaruConnect™ enabled at all, in addition to responding "No" herein, you must press the in-vehicle SOS button and talk to an agent explaining that you would like to "waive" the services. This will not delete any personal information previously disclosed to Toyota.</p> <p>Yes No</p>
